Professor J. Lederberg,
Department of Genetics,
Stanford University School of Medicine,
Stanford University Medical Center,
STANFORD, California 94305, U.S.A.

Dear Josh,

Lyn and I were delighted to hear that you will soon be a father, and I will plan to try to catch you, however briefly, on the evening of April 26th. My flight, QF 530 arrives in San Francisco at 19.00 on the evening of April 26th, and if I can get a suitable connection I will take the helicopter to Palo Alto. I will try to get back to the airport that evening and sleep at a Motel, in view of a relatively early flight on the Saturday morning. Could you please be kind enough to give me your private address and telephone number? I will also try to catch up briefly with Bruce Stocker.

All best wishes.

Yours sincerely,

G. J. V. Nossal
